CLIC FOR YOUR SCHOOL

CLIC PSE lessons KS3+KS4

Introduction

Welcome to the CLIConline Personal and Social Education lessons for Key Stage 3 & Key Stage 4 students. These lesson plans have been devised in line with the Welsh PSE Framework and correspond to the five PSE headings of Active Citizenship, Health & Emotional Well-being, Preparing for Lifelong Learning & Leisure, Sustainable Development & Global Citizenship, Moral & Spiritual Development. CLIConline is the National Advice and Information channel for young people in Wales. It contains both formal and informal information for young people aged 11-25. Each lesson is devised so that the learners use CLIConline.co.uk as a tool to research the lesson's topic.
